Colour Temperature

 Warm White 2700K - 3000K

Ref:

1747-2959

Technical Details

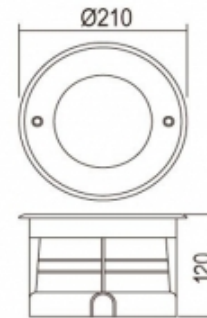

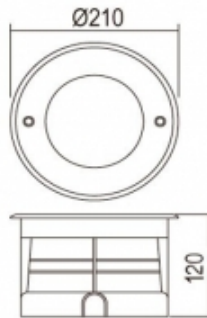

Power:	12 W
Voltage:	220-240V AC
Frequency:	50-60 Hz
Protection Class:	I
Points of Light:	1
Light Source:	CREE
Number of LEDs:	12
Light Colour:	Warm White
Colour Temp:	3000K
CRI:	80
Lumens:	580 lm
Energy Efficiency 2021 (UE-1369/2017):	A
Energy Efficiency 2023 (UE-2019/2015):	F
Beam Angle:	45°
Lens Type:	Frost

Use:	Outdoor
IP Protection:	IP67
IK Protection:	IK10
Flicker Free:	YES
Material:	Stainless Steel 304
Colour Code:	RAL 9005
Installation:	Recessed
Size:	120xØ210 mm
Cut-Out	Ø193x112 mm
Height:	120 mm
Diameter:	Ø210 mm
Total Weight:	2.35 kg
Life Span:	40,000 Hours
Warranty:	3 Years
Certifications:	CE & RoHS, UKCA

Description

The 12W Inox Recessed LED Ground Spotlight allows us to illuminate in a different way different outdoor spaces such as gardens, patios or passageways, to cite some of the most frequent examples of use of this product.

Its CREE light source provides a luminosity equivalent to a conventional 50W luminaire. It is, therefore, an **outdoor LED lighting device that can act as a central or complementary element of our lighting system**. On the other hand, the 12W Inox Recessed LED Ground Spotlight operates at 220V and requires cut-out dimensions of Ø193x112 mm.

As it is an outdoor element, **it is made of stainless steel and has an IP67 protection** rating that guarantees complete watertightness against dust and temporary immersion.
